

# How To Draw Eddy

*Ed, Edd n Eddy*

**1**

Draw two and a half circles on top of each other.

**2**

Add basic boxes around them for the head, body and legs. Make sure they match the ones in the picture above and add in some arm shapes at the side.

**3**

Now draw a line across the head and add four fingers to each hand, plus some t-shirt sleeves.

**4**

Draw the ears and eyes along the guide line. Add in the nose and mouth.

**5**

Draw over the outline for the body and give Eddy's head and clothes their distinctive wobbly look.

**6**

Finish off Eddy's eyes, hair and wrinkles, then add detail to his clothes. Colour him in and get ready to make some mischief!
